

## Message from the President & CEO

At the Mat-Su Health Foundation, we value collaboration and community knowledge. In 2023, we connected directly with people across the Mat-Su Valley to hear their needs, priorities, and feedback. We were energized by these conversations – by the points of alignment within them, as well as the opportunities for further discussion. This report includes some of the progress we made towards these priorities in 2023. We so appreciate our engaged and activated community and look forward to continuing the conversation in the coming year. Thank you for being on this journey with us as we work together to make the Mat-Su the healthiest borough in Alaska.

Clizabeth Riplay
Elizabeth Ripley

President & CEO

## Building a Shared Understanding of the Challenges We Face and a Path Forward

We heard community members ask for opportunities to give input on Mat-Su Health Foundation's governance and distribution of assets. In response, we held a series of community conversations to discuss your needs and priorities. In speaking with people in Palmer, Wasilla, Chickaloon/Sutton, and Upper Su, we heard that some of the highest priority needs include:

- Access to basic needs
- Behavioral health and addiction
- Lack of affordable housing
- Challenges with accessing healthcare
- Social isolation and lack of community connections

These priorities are aligned with the 2022 Community Health Needs Assessment, which guides our grantmaking – reinforcing that our work is going in the right direction and supporting a thriving Mat-Su Valley.

2 • Mat-Su Health Foundation

# 2023 Highlights: Investing in Our Shared Priorities

#### 2023 Grant Making

- **176** grants
- 114 organizations
- \$14,877,066

#### 2023 Scholarships

Every year, we invest in hundreds of Mat-Su community members pursuing careers in health and human services. Educational and vocational scholarships ensure that these individuals have the opportunity to build secure, high-paying careers and our community has a strong and sustainable healthcare workforce.

- 422 students in bachelor's or master's programs
- **124** students in certificate programs
- 35 professionals further developing their leadership skills
- **\$2,269,619** invested in Mat-Su community members

### **Impact by the Numbers**

A comprehensive health and social services information and referral hub, ensuring that every person in the Mat-Su Valley has what they need to live a healthy and fulfilling life.

- **4,608** referrals made (5.4% increase from 2022)
- 1,502 people served
- 77% of referrals were for housing, health or transportation needs

A cross-sector collaborative of community members joining together to promote family resilience and reduce child maltreatment in the Mat-Su.

- 375 attendees trained on Understanding Adverse Childhood Experiences and Raising Resilience
- 157 babies supported and celebrated through Community Baby Shower events

#### **Grantee Highlights**

## Expanding the Healthy Smiles Forever program to offer dental care to those who need it

#### **CHRISTIAN HEALTH ASSOCIATES**

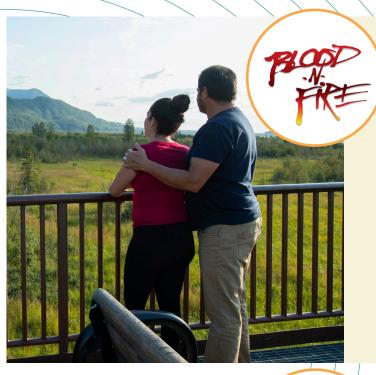

The Healthy Smiles Forever Program brings dentistry and oral healthcare to long-term care residents. We were able to offer the program \$250,000 to expand services for more than 200 residents at three facilities in the Mat-Su. The grant will pay for dental care specialists, expand in-facility services, and provide oral healthcare training and education to CNAs and other providers who care for these important residents.

## Creating accessible spaces by supporting construction of the Palmer Family Park

#### PALMER CHURCH OF THE NAZARENE

The Palmer Family Park has Mat-Su's first fully accessible and inclusive playground for children with a range of abilities. Accessible public spaces for connection, movement, and play are an important part of making sure everyone has the opportunity to lead a healthy, thriving life. We contributed \$500,000 toward the park's materials and construction.

## Increasing access to housing in the Mat-Su

## BLOOD-N-FIRE MINISTRY AND VALLEY RESIDENTIAL SERVICES

We all know that housing is limited and comes at a premium in our region. Many struggle to find and keep affordable housing. This past year we supported Blood-n-Fire Ministry, a program that provides housing assistance to people experiencing homelessness in the Mat-Su, in purchasing the Knick House Property in Wasilla. We also funded Valley Residential Services to build an additional 24 units of affordable housing for Mat-Su families, expanding the existing Old Mat Road complex.

#### **UPPER SUSITNA FOOD PANTRY**

Food, fuel, and hygiene-related products are necessities that community members sometimes find out of reach. We contributed \$80,000 to the food pantry's services supporting those in need, including programming that teaches parents, guardians and children how to grow their own fruit and vegetables in the pantry's community garden.

## **Looking Ahead**

We were thrilled to enter 2024 with a talented new leadership team who bring fresh energy and perspectives to our work. With deep experience in healthcare, human services, philanthropy, and hospital leadership, they are already improving how we serve you. We'll continue to grow our staff to better meet the needs identified by the community.

As part owners of the Mat-Su Regional Medical Center, we were proud to participate in the renegotiation of the management services agreement in 2023, setting the direction for the next decade and beyond. We advocated for an agreement that ensures the hospital will continue to provide care and services for Mat-Su residents.

We'll work with the Medical Center to significantly increase access to behavioral health services, in response to community feedback and the Community Health Needs Assessment. We'll expand the Crisis Now program, which gives law enforcement and first responders an appropriate option for people in crisis to receive short-term mental health treatment quickly.

We're also excited about a new program from R.O.C.K. Mat-Su that will launch this summer. HELLO Baby will offer critical support for babies and families in their first years of development. Stay tuned for more information.
